

GERARD CREMONENSIS

ON ASTRONOMICAL GEOMANCY.

Because Astronomy is so transcendent and subtil an Art in itself, that therein a man ought to have respect unto so many things before he can attaine to true judgment thereby, because the eye of the understanding will not pierce unto the half thereof, and few Doctors of our later time have been found so experienced therein that they know sufficiently how to judge thereby; Therefore I have composed this work, which I wilt have to be named, *Astronomical Geomancy*; wherein, I will sufficiently teach how to judge with less labour and study. For in this present science it is not requisite to behold neither the Ascendant, nor the hour in a Table, as it is in Astrology.

It is expedient therefore, to make four unequal lines, by the points casually set down; and to joyne together those points; and out of the points which are not joynd together, which do remain in the heads of the lines, (as it is done in Geomancie) extract one figure; and the signe of the *Zodiack* that answereth to that figure, put for the Ascendent, for the words sake. If *Acquisitio* arise from the heads of those four Lines, let *Aries* be placed in the Ascendent; if *Laetitia*, or the *lesser Fortune* put *Taurus* in the Ascendent; if *Puer* or *Rubeus*, place *Gemini*; If *Albus*, *Cancer*; if *Via*, *Leo*; if *Conjunctio* or the *Dragons Head*, *Virgo*; if *Puella*, *Libra*; if *Amissio* or *Tristitia*, *Scorpio*; if the *Dragons Tail*, *Sagittary*; if *Populus*, *Capricorn*; if *Fortuna major*, *Aquary*; if *Carcer*, then put *Pisces* for the Ascendent. Afterwards in the second House, let that signe be placed which immediately succeeds the other. In the third House the third Signe, and so place the rest in order until you come unto the end of the Signes; and make one square figure divided into twelve equal parts, and therein place the Signes in order, as it is in Astrology, and as you may finde them in this figure: neither are we here to regard the * witnesses, or * Judge, or any other thing, which belongs to Geomancie; but onely the sixteen Figures, that by them we may have the twelve Signes, to which they agree; and observe the maner of the Figure as it is here placed.

Afterwards it is requisite to make four Lines by course for every Planet, by points casually pricked down; and likewise for the *Dragons Head*, as you have done for the Ascendent, and divide those points by twelve; and that which remaineth above twelve, or the twelfth itself, if a greater number doth not remain, retaine, and the Planet for which the projection was made, place in that House of which the superabounding number shall be; that is, if there remain twelve, let the Planet be placed in the twelfth House; if ten, in the tenth House; if one, in the first House; if two, in the second House; and so of the rest. And you ought alwayes to begin from the *Sun*, and afterwards from the *Moon*, then from *Venus* and *Mercury*, and from *Saturn*, *Jupiter* and *Mars*, and the *Dragons Head* and *Dragons Tail*; but

you must always take heed that you do not make a question in a rainy, cloudy, or a very windy season, or when thou art angry, or thy minde busied with many affairs; nor for tempters or deriders, neither that you may renew and reiterate the same Question again under the same figure or forme; for that is error.

Questions of the first House.

If you are desirous to know concerning the life of any man whether it shall be long or short, behold the Lord of the Ascendent, who if he be in strong Angles, it signifies long life; in succedents, a middle age; and in cadent Houses, a short life; and if he be in strong Angles, he signifies greater years; if in Succedents, meaner years; if in Cadents, lesser years. The lesser years of *Saturn* are thirty, the meaner are forty four years, and the greater fifty eight. The lesser years of *Jupiter* are twelve, the meaner years forty, and the greater accordingly are forty seven. The lesser years of *Mars* are fifteen, his meane years forty, and the greater years forty seven. The lesser years of the *Sun* are nineteen, his mean years forty five, and his greater years eighty two. The lesser years of *Venus* are eight, her mean years

forty five, and her greater years eighty two. *Mercury's* lesser years are twenty, his mean years forty nine, and his greater years eighty. The lesser years of the *Moon* are fifteen, her mean years thirty nine, and her greater years a hundred and seven. And also look if *Mars* or *Saturn* shall be in the first House, and the Lord of the eighth with them; and if the *Sun* shall be in the eighth, the Querent shall not live: likewise if the Lord of the Ascendent shall happen to be void of course, and *Mars* be in the eighth, the Querent shall not live; but if the *Sun* and the *Moon* shall be in conjunction in the seventh House, and *Venus* in the second, he shall live well.

The accidents of the nativity are likewise to be considered. If you finde *Saturn* or *Mercury* in the first, * he is foolish and talkative; if it be *Mars* and *Mercury*, he will not be servile, but a wrangler and scoffer; if the *Sun* and *Mercury*, he will be a speaker of truth; and if the *Sun* be in *Aries*, he will apply himself to learn whatsoever he shall hear; if *Venus* be in the seventh, he will be luxurious; and if *Saturn*, *Mercury* and *Venus* be in their fall, he will be a Sodomite; if the *Sun* and *Venus* be in the tenth, and the *Moon* in the first, he will be very liberal; if *Venus*, *Mercury* and the *Dragons Head* be in the first, he wilt be covetous; if the *Moon* and *Mars* be in the first, he will be subject to great bondage; and if *Mars* be Lord of the nativity, he will be rich, and an evil speaker, and litigious; and if the *Sun* be in the first, he will be envious, having a fair body, not very lean, nor very fat; and if *Venus* be in the first, he will be white and fair; if *Mercury* be in the first, he will not be stable, but alwayes in motion; but if the *Moon* be found there, it denotes him to have a graceful face, brest and arms; if *Saturn* be there, the man will be black and filthy; if *Jupiter*, he will have a round face, a fair forehead, a ruddy complexion mixt with a little white.

If you would know his office or art: if the *Moon* be in the seventh with *Saturn*, or in the fourth, or in the tenth, or in the first, It is not good for him to build any house in a City, nor to build a ship, neither is it good for him to be a tiller of land, or to dress vines, or plant trees; but to be imployed about some office belonging to the water, or concerning marriages, or to be a Post or a Messenger; neither let him apply himself much to his master, because he shall gain no repute from him: if the *Moon* be in the fifth or third, it will be good to him; in the second, eighth, sixth and twelfth, neither good nor evil.

Jupiter signifies Bishops, Prelates, Nobles, Potentates, Judges, Wise men, Merchants and Usurers.

Mars signifies Warriors, Incendiaries, Homicides, Physitians, Barbers, Hangmen, Gold-smiths, Cooks, furnaces, and all fireworks. And if *Mars* be in strong Signes, he will be poor and die in captivity, unless he put himself in arms with some souldier or vassal.

The *Sun* signifieth Emperors, Kings, Princes, Nobles, Lords and Judges.

Venus signifies Queens and Ladies, Marriages, Communications, Friendship, Apothecaries, Taylors, and such as make Ornaments for playes, sellers of Cloth, Jesters, Vintners, Players at dice, Whores and Robbers.

Mercury signifies Clerks, Philosophers, Astrologers, Geometricians Arithmeticians, Latine writers, and Painters, and all subtil Artists, as well men as women, and their Arts.

Concerning the intention of the Querent, look unto the Signe ascending, and his Lord; and where you finde the Lord of the Ascendent, he comes to inquire about something pertaining to that House; and if the *Sun* be Lord of the Ascendent, his Question is concerning fear which he is in of some man; if *Venus*, he enquireth of Arts, that he may know some proper Arts, or he enquireth concerning things belonging to women. If *Mercury* be Lord of the Ascendent, he seek after something that is lost, or enquireth concerning some infirmity. If the *Moon* he seeketh also for something lost, or inquireth about sickness, or some disease in his eyes. If *Saturn* be Lord of the Ascendent, he enquireth about some sickness, or concerning a Prince; and keepeth silence, but hast some great grief or anguish in his heart. If *Jupiter* be Lord of the Ascendent, his Question is concerning some infirmity, or restitution, or for some office which he desireth to have. If *Mars*, he enquireth for some fear, or of an enemy, death, sickness, riches, or substance.

Questions of the second House.

If you would be informed concerning the substance of any man whether he shall be rich or not, behold the Lord of the second, which if he shall be with a good Planet, & a good Planet likewise in the second, he shall be rich; but if the Lord of the second be joined with evil Planets, and an evil Planet shall be in the second, he shall be poor.

If you would know whether you shall have again a thing lent, or not, look if there be an evil Planet in the second, and disagreeing with his Lord; then he that detaineth the thing lent, will not willingly render back the same: But if there be a good Planet in the second, and agreeing with his Lord, it shall easily be recovered; and if the Lord of the second, be exalted and be evil, or if an evil Planet be with him in the second, or if the Lord of the second, be exalted, he which keepeth the thing deposited, will not willingly restore the same, but he shall do it whether he will or not. And if an evil Planet be in the second, it's to be recovered: But if *Mercury* be in the second, so that he be his Lord, and bringeth contrariety, then it shall be recovered; and if a good Planet be in the second House, he signifies recovery, although he be the Lord thereof.

Mark therefore the concord and discord of the Planets: the *Moon* and *Jupiter* are friends, the *Moon* and *Mars* enemies; *Mercury* and the *Sun* are friends, *Mercury* and *Venus* enemies; *Venus* and *Jupiter* are friends, *Jupiter* and the *Moon* are enemies.

The Planets are said to be friends, when they agree in one nature and quality, as *Mars* and the *Sun*, because both their natures is hot and dry; *Venus* and the *Moon* do agree in cold and moisture: or when Planets do agree in substance and nature, as *Jupiter* and *Venus* are friends: or when the House of one is the exaltation of another, or on the contrary.

Questions of the third House.

If that you desire to know, how many brethren a man hath, see the Lord of the third, and it is to be held, that to so many Planets as he is joynd, so many brethren the Querent

hath; and the Masculine Planets signifie brethren, and the female Planets sisters; and note, That *Saturn* and *Mars*, the *Sun*, *Jupiter*, & the *Dragons Head*, are masculine; but the *Moon*, *Venus* and the *Dragons Tail* are foeminine: but *Mercury* is promiscuous, sometimes Masculine and sometimes foeminine; he is Masculine when he is joyned to Masculine Planets, or when he is in a masculine quarter of the *Zodiacke*; and he is foeminine, when he is joyned to foeminine Planets, or when he is in a foeminine quarter of the *Zodiacke*.

Questions of the fourth House.

If thou wouldst know whether it be good for thee to stay in any Land, City, Village, Territory, or House, or not, behold the Lord of the Ascendent of the fourth, and of the seventh; and if the Lord of the fourth be in the seventh, and be good, and the Lords of the first and the tenth House be good, and with good Planets, then it is good for thee to continue in that place wherein thou art. And if the Lord of the seventh be with a good Planet, and the Lord of the fourth with an evil Planet, then it is not good for thee to abide there, because if thou dost continue there, thou shalt suffer many losses, & have evil reports raised on thee in that Country.

But if thou wouldst know when any one that is absent will return, behold the Lord of the Ascendent; and if you finde him in any one of the four Angles, he will return in that year; and if he be not in an Angle, then see how far he is distant from the first Angle; for so long he will stay, and so many years as there be Houses.

If you would be informed of the dearth or plenty of things, behold the strong Houses, the Succedents and the Cadents; for the strong Houses signifie dearth and scarcity, the Succedents a moderate season, neither too dear, nor too cheap, the Cadents signifie plenty and profitableness of things. Consider also the Planets, and their places, which if they be in strong Houses, the things which are signified by those Planets will be rare: and note, That *Saturn* doth signifie fields, vines, and instruments to work in fields, and leather, and of fruits, corn, acorns, oak-apples, and pomegranates. *Jupiter* hath oil, honey, silk-wormes, cloth, wine, and grass, and things that are odoriferous. *Mars* signifies wine, and flesh, and especially hogs, wars, and armour, and such things as belong thereunto, and red garments. The *Sun* bath signification of wheat, and wine, purple colours, and cloth, and all things that are assimulated unto gold, horses and birds, such as hawks and falcons. *Venus* doth signifie fatness and grapes, figs and dates, fish and pastimes. *Mercury* hath barley, millet, grain, money, and quicksilver. The *Moon* signifies oats, milk, cheese, fire and salt, cows, rams, hens, and silver, and accordingly plenty and scarcity of them.

Questions of the fifth House.

If you would know whether a woman be with Child, or whether she will have any children, or not, look if the Lord of the Ascendent be in the seventh, or the Lord of the fifth in the first, or the Lord of the first in the fifth, or if the Lord of the fifth be in the seventh,

or if the Lord of the seventh be in the fifth, or the *Moon* with them; or if good Planets be in the first, or the fifth, or with the Lord of the fifth, or * R * in Angles, she is with child, or may have children; but if you finde none of them, but evil Planets in the same places, she neither is with childe, neither will she have any children: and if there be both good and evil Planets in the said places, then happily she may have children, but they will not live; but if *Cancer*, *Scorpio* or *Pisces* shall be in the first or fifth House, she may have children; but if *Leo* and *Virgo* be there, she is not with child, neither shall she ever have any children; or if the Lord of the fifth shall be in them Houses.

And if you would know, within how many years she shall have children, look where you finde the Lord of the fifth; for in that year she shall have issue; if he be in the first, in the first year; if in the second, in the second year; and so you may number unto the twelfth House. And if mean Signes be in the Ascendent, she that is with child hath twins in her wombe, which will live, if a good Planet be in the first; and if an evil Planet, they will die; and if there be one good and another evil, one shall live, and another die; and if a mean Signe shall be ascending, and *Mars* in that Signe, the mother shall die, and not the childe; if *Saturn*, both the mother and child shall die; and if the *Dragons Tail* be there, its possible they will both die; but the infant shall not escape; and if the *Dragons Tail* be so in the first, and the tenth House fallen: the mother shall die; likewise if *Mars* and the *Moon*, or *Mars* and *Saturn* be in the first, seventh or tenth, the mother shall die.

Whether the party with child shall miscarry, or not. Consider if a moveable Signe be ascending, because if it be so she will miscarry.

If you would know whether a woman shall bring forth a man-child, or a woman-child; behold the Ascendent and his Lord, which if he be Masculine and in a Masculine Signe, or in a Masculine quarter of the Figure, it is a male-childe; but if the Lord of the Ascendent be feminine, and in a feminine Signe, or in a feminine quarter of the Circle, it will be a woman-child; and so you shall consider also of the *Moon*. Consider also if more of the Planets be in Masculine Signes, then it will be a male-childe; and if many Planets be in feminine Signes, then it is a female childe.

And if you would know whether the child be legitimate or adulterate; see if *Saturn*, *Mars* or the *Dragons Tail* be in the fifth, or with the Lord of the fifth; because if it be so it is adulterate; bur if a good Planet shall be there, it is legitimate: and if the Lord of the first, be in the fifth, or with his Lord, it is legitimate; and so likewise if the Lord of the fifth be found in the first or with the Lord of the first.

If you desire to know whether rumours be true or false, see if you finde *Saturn*, *Mars* or the *Dragons Tail*, in the Ascendent; because if they be so then the rumours are false; but if you finde the *Sun*, *Jupiter* or the *Dragons Head* there, then they are true; and if there be Masculine Planets in Masculine Signes, & feminine Planets in feminine Signes, then they are true; and if both good and evil Planets be there, then they are Partly true and Partly false; and if there be a good Signe with the Planet, is testifies the truth; and if the Planet fall with an evil Signe, then it is false; likewise if *Mercury* be in the first, the news is false: but if the *Moon* be in the first in a feminine signe, or joyned with the Lord of the Ascen-

dent in a feminine Signe, then the rumours are true; also if good Planets be in the first, fifth or ninth, and feminine Signes, they are true; but if otherwise, they are not.

If you would know whether any one that is absent will return, and when; see the Lord of the Ascendent; and the first, which if you finde them together, for certain he will come, and is now beginning his journey. Likewise if the Lord of the fifth be in the first, or with the Lord of the first, and if he be in his fall, the messenger is sick in his way; but if the Lord of the fifth be exalted, then he cometh joyfully. And if he be in a cadent Signe, he shall be grievously afflicted with sickness, or shall die.

If you would know if he bringeth that with him for which he went, or not, behold the Lord of the seventh; which if he be good, he bringeth that which he sought for; and if he be in his fall, or an evil Planet be there, he bringeth nothing with him.

Questions of the sixth House.

Whether the sick shall recover his health, or die. If the Question be concerning his sickness, see if *Saturn*, or *Mars*, or the *Dragons Tail* be in the first, and whether his Lord be joynd with an evil Planet, then he shall die soon. And if the Lord of the first be good, and evil Planets be in the first with his Lord, or likewise in the first or the eighth, for certain he will die: But if the Lord of the first be in the eighth, or with the Lord of the eighth; or the Lord of the eighth in the first, or with the Lord of the first, there is doubt of his death. And if evil Planets do possess the Angles, evil and destruction is threatned to the sick. But if good Planets shall be in the first, sixth and eighth, and likewise in the Angles, and the Lord of the first be from the eighth & his Lord, then the sick person shall live and recover his health.

If you desire to know whether he will be cured by medicines, give the first House to the Physitian, the tenth to the sick, the seventh to his diseases, and the fourth to the medicines. If evil Planets be in the first, the Physitian shall profit him nothing; but they testifie that this will be worse for the diseased: but the Fortunes do signifie, that he shall be profitable to him. And if evil Planets do occupy the tenth House, the sick person is the cause; for they testifie, that he himself is the cause of his own disease: but the Fortunes being there, signifie the contrary. But if evil Planets be in the tenth House, they change the condition of the sick out of one disease into another; but the Fortunes being there, do deliver him without the help of Physitians or medicines. Also evil Planets being in the fourth, do testifie, that the medicines do augment his grief; & the Fortunes being there, do mitigate and heal him.

If thou wouldst know if thou shalt go unto the person and heal him; confider the place then: for if he shall be with *Saturn*, *Mars*, or the *Dragons Tail*, or ' R ' with the *Sun*, go not unto him; but if *Jupiter*, *Venus* or the *Dragons Head* be in the first or in the seventh, go, for it will be good; and if there be the *Moon* with a good Planet, go, and give him physick; but if she shall be with an evil Planet, and especially in the seventh House, then thou shalt not go; because thou shalt profit him nothing: and if there be good Planets there, go and look

diligently to him, where or In what members he suffers; because *Aries* hath the Head, *Taurus* the neck, *Cancer* the breast and lungs, *Leo* the heart and stomach, *Virgo* the belly and intestines, *Libra* the reins and loyns, *Scorpio* the secret members, *Sagittary* the thighs, *Capricorn* the knees, *Aquary* the legs, and *Pisces* the feet.

Questions of the seventh House,

For theft, look unto the Lord of the seventh: which if he be in the first, the theft shall be restored again; but if the Lord of the first be in the seventh, it shall be a long time sought after, and at length shall be found: but if the *Moon* be in the first, or with his Lord, it shall be found; if the *Moon* be in the fifth, or with the Lord of the first, or * R * in the first, it may be found; but if the *Sun* and the *Moon* be in the fifth, and if the Lord of the eighth be with the Lord of the first in the first, it shall be found; but if the Lord of the second be in the eighth, it shall not be found. And if *Saturn*, or *Mars*, or the *Dragons Tail* be in the second, it shall not be found, nor be altogether lost. And if the Lord of the second be in the first, the thing that is lost shall be found; but it shall not be known from whence it came. If the Lord of the first be in the second, it maybe found after much labour. And if the Lord of the second be in his fall, it will never be found; but if he be exalted, is shall be found very well: but the seventh House sheweth the thief.

But if you would know what it is that is stollen, behold the Lord of the second; which if he be *Saturn*, it is lead, iron, a kettle, a trivet, a garment, or some black thing, or leather. If he be *Jupiter*, then it is some white thing, as tin, silver, or mixt with white & yellow veins. The *Sun* signifies gold and precious pearles. *Mars* signifies things belonging to the fire. *Venus* signifies things belonging to women, as gloves, rings, and fair ornaments. The *Moon*, beasts, such as horses, mules &c. perfumes and wars. *Mercury* signifies money, books, writings, pictures, or garments of divers colours.

If you would know how many thieves there were, see the Lord of the sixth; which if he be in the second, or with the Lord of the second, there were many thieves; and if they be in the third, the brethren or kinsmen of the Querent have committed the theft.

If you would know whether the thief do yet remain in the Town: if they be in succedent Houses, he is not gone far off; but if the be in cadent Houses, he is far remote.

If you desire to know towards What Country the thief is fled, see in what Signe the Lord of the seventh is; for if he be in *Aries*, he is in the middle of the East parte. If in *Taurus*, in the South towards the East. If in *Gemini*, in the West towards the South. If in *Cancer*, full North. If in *Leo*, in the East towards the North. If in *Virgo*, in the South towards the West. If in *Libra*, full West. If in *Scorpio*, in the North neer the West. If in *Sagittary*, in the East nigh the North. If in *Capricorn*, full South. If in *Aquary*, in the West towards the North. And if in *Pisces*, In the North towards the West.

If you would know whether the thief hath carried all the things stollen away with him, see the Lord of the seventh and the eighth; and if the Lord of the seventh be in an Angle, he had a desire to carry away the same with him, but could not. If the Lord of the eighth

be in a mean House, or in a cadent House, and the Lord of the second in a strong House, he hath carryed the theft wholly with him. And if the Lord of the seventh and the eighth be both in cadent Houses, he neither carryed it away, nor hath it. See by the seventh who is his companion, and what is his gain.

If you would know the descent or nobility of a man or woman, look unto the Lord of the seventh; which if you finde him in Angles, and the Lord of the first in Succedents or cadents, the woman is more noble then the man. But if the Lord of the Ascendent be in an Angle, & the Lord of the seventh in a succedent or cadent House, the man is more noble then the woman. And after the same manner thou maist judge of two companions, or of any other persons whatsoever. And if the Lord of the seventh be in the ninth House, he wilt take a wife out of a forreigne Country.

If you desire to know Whether an intended marriage shall take effect, or not, look to the Ascendent and his Lord, and the *Moon*, for the Querent; and the seventh House, and his Lord, for the woman. And if the Lord of the Ascendent or the *Moon* be joyned to the Lord of the seventh, or be in the seventh, the marriage will be effected; or if the Lord of the seventh be in the first, or with the Lord of the first, it will easily be brought to pass; and the woman is more desirous thereof, then the man.

If you would know whether thy wife or friend hath any other lover or not, look if *Mars* be in the seventh, so that he be not in his own House, for then she hath not any other lover. And if *Saturn* be there, she loveth another; but he lieth not with her. And if the *Dragons Tail* be in the seventh, he lieth with her. And if *Jupiter* be there, she hardly containeth herself chaste. If *Venus*, she is merry, and much given to play and laughter, by reason whereof, she may be accounted a whore, and is not so. If *Mercury* be in the seventh, she had a lover, but now hath none. But if the *Moon* be in the seventh, she hath had no lover as yet, but will have one, and will be common. But if the *Sun* or the *Dragons Head* be there, she is chaste. And after the fame manner may you judge in the * ninth * concerning friends or lovers.

If you would know which of them shall live longest, see the Lord of the first and of the seventh, which of them shall be in the stronger and better place, or joyned to the strongest Planets; and that person who is most free and remote from the Lord of the eighth and his participation, to whom the Lord of his House answereth, shall live longest.

If you desire to make a society or alliance, and would know whether it shall be brought to pass or not, or what shall happen thereupon, see if there be good Planets to the seventh and the first: and if so, the fellowship will be made, and good will come thereof; and you may judge is to continue so many years, months or dayes, as the Lord of the seventh hath signification of.

If you would know when such society shall be, look what Planet is in the seventh; for if he be good, it shall come to pass that same year: or wedlock, * R * if the Question be thereof.

If you would know whether they will well agree, see the first and his Lord, which is the signifier of the Querent; and the seventh House and his Lord, which is the House, of

companions, wives and concubines; which if they be concordant amongst themselves, there will be peace and union between them, and they shall profit; but if the Planets be in discord, there will be strife between them, and the society will not profit.

If you would know which of them shall gain most, see the first and his Lord, and the seventh and his Lord, and which of them standeth best; or if they be evil, which of them falleth: and he that falleth shall lose, and he that is exalted shall gain. Or otherwise, and which is better, see the second and his Lord, and the eighth and his Lord; and in which House is the better Planet, or his Lord that shall be found in the better place, or joynd with the better Planets he shall be the greater gainer. The second House, and his Lord signifies the dam of the Querent: and the eighth House and his Lord signifies the gain of his fellow, or his part: and if the be both good, they shall both gain; and if both evil, they shall both lose: and if one be good and the other evil, he whose significator is good, shall gain; and he whose is evil, shall lose.

And if you would know if two fellows shall love one another, look if the Lords of the first and the seventh be friends and agreeing, then they will love one to another; but if they be enemies and disagree, then they will not.

If you desire to know who shall overcome in any cause, matter or controversie, behold the Lords of the first and the seventh, which if they be in Angles, neither of them shall overcome; and see which of them is joynd with an evil Planet, because he shall overcome; and if the Planet be evil from them both, the victor shall kill the conquered; if one of them be strong, and the other weak, and the Planet which is in the strong House do not fall, nor hath not an evil Planet with him; and if he which is weak be not in his own House, nor in his exaltation, nor with a good Planet, he whose Planet is in the strong House, shall overcome; likewise he whose significator is in a mean House, shall have great fear and doubt in his heart, because sometimes he shall hope to conquer, and otherwhiles fear to be overcome. And note, that in a Question concerning war and kingdom, it is said that there is more power and efficacie, or fortitude in the exaltation of a Planet, then in his House; but in all other Questions the contrary.

If you would be informed concerning any one being that is gone to any fight, whether he shall return safe, see the Lord of the Ascendent; if he be good, that is, with good Planets, and a good Planet in the first, he will return safe; but if the *Sun* be with the Lord of the first, in any part of the Question, let him not go, because the *Sun* burneth him. And if the Lord of the seventh be with a good Planet, and the Lord of the first with a good Planet likewise, he shall have some impediment in the way; but he will not die. And if an evil Planet be with the Lord of the first, and a good Planet in the first, IF he goeth he shall suffer great damage, but not death; nevertheless he may be grievously wounded. And if *Saturn* be in the first, or with the Lord of the first, let him not go; because some impediment will happen unto him by some man that he will meet. And if there be an evil Planet with the Lord of the first, or *Saturn* be in the first, or with the Lord of the first he will be wounded with wood or with a stone. If *Mars* and the *Dragons Tail* be in the first, or with the Lord of the first; or if there be evil Planets in the first, or with the Lord of the first he

will suffer wounds or death. See likewise if there be an evil Planet in the eighth, because then death is to be feared. And if the *Sun* be with the Lord of the seventh, or in the eighth, it signifies that it is ill to go. The like judgement is of the seventh and the tenth.

And if a Question be proposed concerning the event of War, see the seventh and the first, and their Lords: for the first House and his Lord signifies the Querent; and the seventh House and his Lord the adversary. So that if there be good Planets in the first and evil in the seventh; and if the Lord of the first and seventh be evil, the Querent shall overcome: but if there be an evil Planet with the Lord of the first, and an evil Planet in the first, and the Lord of the seventh good, or * R. * in the seventh, the Querent shall be overcome, or taken, or slain. And if the Lords of them both be in the first, and there be good Planets from the part of the first House, unto the end of the House which is the middle of the Question, and if evil Planets do possess the other half of the Question, that is to say from the seventh unto the end of the twelfth house, the adversary shall overcome. But if both the Lords shall be in the Ascendent, and if they be good from the part of the first, and evil from the part of the seventh, they shall both suffer great loss; but the Querent shall have the better in the end. But if the Lord of the Ascendent be in the seventh, or in his Question, it signifies fortitude of the adversary: and if the Lord of the seventh be in the first, or in his Question, it signifies fortitude of the actor. And if the Lord of the Ascendent be in the eighth, or with the Lord of the eighth; or the Lord of the eighth in the first, or with the Lord of the first, it signifies the death of the Querent. And if the Lord of the seventh be in the second, or with his Lord; or the Lord of the second in the seventh, or with the Lord of the seventh, it signifies the death of the enemy.

If you would know whether War shall continue long or not, if mean or meanly; if the Lords of the first and the seventh do agree, the parties shall be pacified after the War.

If thou wouldest depart from the place wherein thou art, and remove thy self to some other place; and if thou wouldest know whether it be better for thee to stay or go: or concerning two businesses, if thou desirest to know which of them is most expedient for thee to undertake, consider the Lords of the first and the second, for those places to which thou wouldest go, the place wherein thou art, and the gain which thou gettest there; and the seventh, and the eighth, and their Lords, for the place to which thou wouldest go, and the gain which thou mayst get there: and those places chuse, whose Lords are the better, or joynd to the better Planets. Or otherwise: behold the Lord of the Ascendent and the *Moon*; which if they be separated from evil Planets, and joynd to good and fortunate Planets, it is better for thee to go from the place where thou art, then to stay there, and to do what business soever thou hast in thy minde. And if the Lord of the Ascendent and the *Moon* be separated from the Fortunes, and joynd to evil Planets, then it is not good for thee to remove thy self, nor to do thy business. Or thus: See the *Moon*; and if the Planet from which she is separated be better then that to whom she is joynd, do not remove: and if the Planet which she is joynd to, be better then that from which she is separated, then go.

Questions of the eighth House.

Concerning any man or woman, if you would know what kinde of death they shall die, see if *Leo*, *Scorpio*, or † R. † *Mars*, be in the eighth, the party shall die by a beast. And if *Saturn* be in the eighth, or with the Lord of the eighth in *Scorpio*, *Cancer*, or *Pisces*, he shall die in water. And if an evil Planet be in the eighth, or with the Lord of the eighth; or if *Mars* or the *Dragons Tayl* be there, he shall die by fire, iron, or of a fever. And if there be a good Planet in the eighth, or with the Lord of the eighth, he shall die a good death.

Questions of the ninth House.

Concerning long journeys, see if the Lord of the eighth have good Planets with him: and if *Saturn* be in the ninth, and exalted in the tenth, so that he be not in his own House, do not go: for thou wilt meet with many obstacles, and War. And if an evil Planet be in the ninth, or with the Lord of the ninth, and the Lord of the ninth in his fall, he shall suffer great damage in the way: for if he goeth by water, he shall suffer shipwrack; and if by Land, he shall have misfortunes, be taken, or die. If *Saturn* be in the ninth, or with his Lord, go securely. And if a good Planet be in the ninth, or with the Lord of the ninth, the way is good and secure. And if *Mars* be in the ninth, thou mayest not go: for thou wilt meet with mortal enemies in the way. And if the Lord of the ninth be with an evil Planet, or the *Sun*, it signifies ill: but he shall not be taken. And if the Lord of the ninth have a good Planet neer him, he shall escape: but if evil, he shall be taken. If *Venus* be in the ninth, or with the Lord of the ninth, the way will be good, because he shall have comfort from women. And if *Mercury* be in the ninth, and the Lord of the ninth with good Planets, the way will be very good: and if he be with evil Planets, it will be evil. And the same is said of the *Moon*, as of *Mercury*. If the *Dragons Tayl* be in the ninth, he will meet with theeves, or some evil people. And if the *Dragons Head* be in the ninth, the way will be good, because he shall be accompanied with Noble-men. And in this maner may you judge in the third House concerning short journeys.

If you would know when the journey shall be accomplished see the Lord of the ninth, and according to his fortitude or debility judge, because according to the place wherein he is, is signified yeers, months, or days: and so you shall judge concerning his stay, about what time he will come by turning the yeers of the Lord of the ninth into days; because so many days he shall tarry, as the Planet signifies in the place where he is. Or otherwise: weak Angles signifie a speedy journey, mean Angles a mean journey; and the Lord of the ninth likewise, according to the place wherein he is found.

And this I say concerning his return.

If you would know whether he shall return from his journey with an imperfect voyage or not, see if the *Moon* be joyned with the Lord of the first, the third, or the ninth, and the Planet thereof be in his Fall; because if it be so, he shall return with an imperfect voyage.

And if the *Moon* be in her exaltation, the journey shall speedily be effected. And if there be two strong Planets, and one cadent, the journey shall be made; and if one be strong, and another in his fall, he shall retire back.

Questions of the tenth House.

If thou wouldest know whether thou shalt have any honour or benefit from a King, Bishop, or Lord, or not, look unto the first House, and the ninth, and their Lords: and if the Lord of the first be in the ninth, or with the Lord of the ninth, or with any other good Planet; or if the Lord of the ninth be in the first, or with the Lord of the first, or with any other good Planet, as *Venus*, *Jupiter*, or the *Dragons Head*; or if any of them be the Lord of the ninth, or * R.* of the first, he shall receive honour and benefits from them.

And if you would know whether he shall have it in his own Country, or in a forraign Country, look if the Lord of the ninth be in angles, then it shall be in his own Country and if in succedents, it shall be neer; but if in cadent Houses, very far off.

Questions of the eleventh House.

If you would know when it is good to set forth a Ship to Sea, see the Ascendent; which if it be stable, the Ship will be ponderous; but if the Lord thereof be with a good Planet, she will sustain a great weight. And if the Ascendent be instable, and with a good Planet, the Ship will be swift, and carry a good burden. And meanly, if the Ascendent be mean. And after this maner may you judge concerning an Horse, if a Question be thereof.

And if any unstable Signe be ascending, and his Lord be in his exaltation, or otherwise fortunate, and the *Moon* behold him with a lowring Aspect, or Sextile; let the Ship be applied to the water, because she will be very swift. And if any evil be imposed upon her, or that she be like to be drawn into it; then set her out when a stable Signe is ascending, or when the *Moon* is in the third, fifth, eighth, ninth, or tenth house or mansion.

If you would know what winde she shall have, behold the Ascendent and his Lord, whether he be with good or evil Planets, and in what place, and accordingly judge.

And if you would have a strong winde, spread forth your Sayls at the rising of *Aquary*: if a small winde, spread your Canvas when *Libra* is ascending: If a moderate winde, then direct your Sayls under *Gemini*.

Questions of the twelfth House.

For Imprisonment, consider the twelfth and the first; and if the Lord of the twelfth be in the first, or with the Lord of the first, &c.
